

NEATH PORT AUTHORITY

GENERAL DIRECTION No 1/23

Carriage & use of VHF radios whilst operating in the Neath Port limits

It is mandatory for ANY vessel other than vessels of less than 6 metres in length overall escorted by a safety boat, navigating the main channel and river, to carry a VHF Radio (maybe handheld) and that it is switched on at all times and tuned into VHF Channel 77.

Through designation under section 40a of the 1964 Act with the power to give harbour directions for the movement, mooring, management and equipment of vessels. These powers are of the nature of general directions to support the effective management of vessels in the Neath Port Authorities waters.
